Dear Friend,

Thank you for considering becoming a sponsor or attending the inaugural Millett Legacy Luncheon on Thursday, November 5, 2026. Your support is an investment in preserving one of Austin's most treasured historic landmarks while creating opportunities for the next generation of artists and creative leaders.

For nearly 150 years, the Historic Millett Opera House has served as a place where leadership, culture, education, and community come together. Through the Millett Legacy Luncheon, we are building upon that legacy by raising support for the preservation of this iconic building and the newly established Millett Legacy Scholarship Fund, which will benefit students in The University of Texas at Austin College of Fine Arts.

Whether you choose to become an event sponsor, host a table, or purchase individual tickets, your participation helps ensure the continued impact of this historic venue while providing meaningful educational opportunities for deserving students. Every contribution directly supports our mission to preserve the Millett Opera House as a vibrant gathering place for generations to come.

As a sponsor or table host, you are not only demonstrating your commitment to historic preservation and arts education—you are also joining a community of civic and business leaders dedicated to investing in Austin's future. Your partnership will help create an inspiring event that celebrates our shared history while empowering tomorrow's performers, designers, musicians, and creative professionals.

On behalf of The Austin Club, the Millett Opera House Foundation, our volunteers, scholarship recipients, and the countless individuals who will benefit from your generosity, thank you for your consideration and support. Together, we can honor the past, strengthen the present, and invest in the future.

With sincere appreciation,
Paul Kornfeind, MCM, CCE, CCM
General Manager
The Austin Club

WHY NOW?

The Millett Opera House has stood for nearly 150 years because each generation chose to protect it, strengthen it, and pass it forward. Now that responsibility belongs to us.

Through the Millett Legacy Initiative, we have the opportunity to:

- Preserve and protect one of Austin's most historic landmarks
- Build a permanent Endowment Fund to support future stewardship
- Grow the Scholarship Fund with the goal of providing three or more annual scholarships in perpetuity
- Strengthen the long-term sustainability of the Millett Opera House for generations to come

This is the moment to move from appreciation to action.

Every Contribution Matters

The Millett Opera House exists today because previous generations chose to invest in it, care for it, and leave it stronger than they found it. Today, that responsibility belongs to us. Whether your support helps preserve this historic landmark, strengthen the Endowment Fund, provide scholarships for future generations, sponsor an event, or contribute a silent auction item, you are helping shape the future of the Millett Opera House.

The impact of your participation extends far beyond a single event, scholarship or contribution. It helps ensure that future generations will continue to experience the leadership, culture, community, and opportunities that have defined the Millett for nearly 150 years.

Thank you for your generosity, your leadership, and your belief in the importance of preserving this historic treasure for generations to come. Together, we honor the past, strengthen the present, and build the future. Thank you for helping ensure that future generations inherit an institution that is stronger than the one entrusted to us.
